SUSTAINABLE COLD SOLUTIONS

# CO<sub>2</sub> Transcritical Industrial Rack

We know the art of achieving  
*a perfect temperature*

**BEIJER REF**

SCM Frigo's iBooster range provides robust, fully configurable CO2 solutions designed specifically for industrial refrigeration applications. With customizable welded chassis construction and a comprehensive selection of control options - from standard to fully programmable controllers - the iBooster line meets diverse and demanding operational needs.

**MAIN ADVANTAGES**

<p><b>HIGH EFFICIENCY IN ALL CLIMATES</b></p>	<p><b>EJECTOR FOR PERFORMANCE IMPROVEMENT</b></p>	<p><b>HIGH CUSTOMIZATION</b></p>	<p><b>HIGH COOLING CAPACITY</b></p>	<p><b>RELIABLE PERFORMANCE</b></p>	<p><b>MODULAR DESIGN</b></p>	<p><b>STAINLESS STEEL PIPES</b></p>
